## HHCR Summer fun!

\*Marli experienced her first summer at HHCR. We brought all the kids to beach to kick-off our summer program. Marli was surrounded by people who love and care for her. Over the summer, Marli took trips to history museums, waterfalls, and other exciting locations. Thank you for making Marli's first summer here one she will never forget!

## Freedom Run Success!

[Asia's Little Ones](#) and [Project Rescue](#) partnered together to help the kids of HHCR with a run, and it was awesome! Praise the Lord!
