Harvest is Coming

HHCR is now growing our own vegetables! This is a wonderful step forward for HHCR to be more self-sustainable.

↑ 12 youth went public with their faith in Jesus and were baptized in the ocean!

↓ Local Mayor Marjorie P. Perales visits the kids of HHCR to share God's love!

Family Priority

Announcement: Our family is moving to the city of Davao, Philippines, to allow our 4 kids the opportunity to attend an international school. Kelli and I will continue to serve as missionaries to Happy Horizons Children's Ranch. We feel this move will provide our children with the best options for their growing educational needs. Our AGWM leadership is in full support of this move. I am grateful for AGWM: the organization always prioritizes family needs! Kelli and I will commute to Cebu for the ministry. We are moving the first week of July! **Please be in prayer for our family.**

↑ HHCR is in need of a new water line - \$5,000. Donate at HHCR.org

↓ HHCR vehicles need maintenance - \$1,500. Donate at HHCR.org

- Prayer Box
1. Increase in monthly support of HHCR.
 2. Missionary Associates to join us on the field!

↑ John attended our local Assemblies of God District Council in the Philippines.

↓ Clara and Lincoln attended their very first school formal!

Six More Lives

International Justice Mission contacted HHCR to inform us there are 6 newly rescued girls* in need of a long term after-care home. **These young ladies are brave!** They have already survived some of the worst this world can throw at them. But their journey is far from over. We thank God that these girls are now safe! Healing takes time and consistency. Everlasting healing takes the love of Jesus! Every day, our team consistently shares the love of Jesus with each child. Our hope is that as they grow into adults, they will choose to be life-long followers of Jesus! **Thank you for believing in, praying for, and consistently supporting the kids of HHCR!**
